

Activación instantánea de Mychart para pacientes

Los pacientes ahora pueden registrarse en Mychart con **activación instantánea** y ya no necesitan un código de activación. Para que este proceso funcione correctamente, el número de seguro social del paciente deberá verificarse e ingresarse en Epic antes de registrarse en Mychart a través de la activación instantánea.

1. Vaya a <https://mychart.med.wmich.edu/MyChartWMED/> .
2. Haga clic en **Activar cuenta.**
