

## SMKzoo Items of Need

### All year

- Water (our patients living in encampments don't have consistent access to water. We take bottled water out to them and we go through two 24-count cases of water per week.)
- Propane tanks 16.4 oz (patients use these for cooking and heat in the winter)
- Flashlights, lanterns, other portable lights (Items that can be solar rechargeable are great. They decrease reliance on finding a working electrical outlet/batteries, etc.)
- Portable chargers (Items that can be solar rechargeable are great. They decrease reliance on finding a working electrical outlet/batteries, etc.)
- Tents (3-4 person or larger)
- Sleeping bags
- Tarps
- First aid kits
- Backpacks
- Hand wipes & Body wipes
- Rinse free body wash & shampoo
- Water purifying tablets, life straw
- Socks (basic crew socks)

### Summer

- Mosquito repellent
- Sunscreen
- Handheld misting fans
- Hats

### Winter

- Blankets
- Jackets, Carhartt bibs or coveralls
- Hand warmers (e.g. hot hands)
- Gloves, winter hats, winter socks
- Space blankets

We also accept clean, gently used donations of clothes, shoes, backpacks, tents, sleeping bags and blankets.
